SOPHIA'S STORY

Like thousands of other women each year, 25-year-old Sophia* faced a terrible choice. She could stay at home with her abusive partner. Or she could escape... and have nowhere to call home.

But thanks to generous efforts of leaders like you, Vinnies was there to help Sophia and her young daughter find safe housing, and support her through her journey.

THANK YOU FOR STEPPING UP TO SUPPORT AUSTRALIANS IN NEED THIS WINTER.

Everyone deserves a safe place to sleep each night – and your participation this year will help make that happen.
By taking part in the 2024 Vinnies CEO Sleepout, you'll be helping Australians get back on track.

Here's how the funds you raise will directly help people in ACT and Surrounds:

Meeting increased demand
in emergency support of
clothing, food, rental and
other essentials assistance

Increased services of the Night
Patrol services including new
specialist services to support
people who are homeless

Development of
new services to the
surrounding region

We can't wait to see you at
your chosen ACT & Surrounds
location on Thursday 20th
June. Let's make this a record-
breaking year, so that every
single person who comes to us
for help gets the care they need

Let's do it for them.

A very different KIND OF NIGHT OUT

ARRIVE & MINGLE

One of the most impactful things about the Vinnies CEO Sleepout is gaining greater insight into the experience of Australians doing it tough. When you arrive, you will have the chance to make powerful connections with fellow leaders who share the same desire for change! Meet Vinnies staff and volunteers, before the experience of the night truly begins.

PACKING LIST

Bring along a sleeping bag and pillow, and wear comfortable, casual clothes to suit the cold (and potentially rain!). A phone, tablet and camera, are also allowed to capture the night and post about your experience to report back to your donors... so electronic devices to do this are ok!

MENU

To complete your experience, you'll be served basic food reflecting the options commonly available to people sleeping rough. It won't look as nice as most other meals on Instagram... but we encourage you to share pics online to help drum up last-minute support.

DISCOVER YOUR IMPACT

Throughout the night you'll find out about homelessness in Australia and how your generosity is helping to break the cycle.

There will be guest speakers and opportunities for you to ask questions!

HEAR FIRST-HAND STORIES

Aussies who've lived through the harsh reality of homelessness will share their stories. Find out just how easy it is to slip through the cracks... and discover how it can all turn around thanks to your life-changing support.

CONNECT ONLINE

People want to see you following through with your commitment to sleep out! Make sure to take pictures, share your reflections, and tag your posts with [#CEOSleepoutAU](https://www.ceosleepout.org.au) so we can all check out each other's experiences!

BUNKER DOWN

Settle into your sleeping bag for a small taste of sleeping rough. Once the official proceedings are over, you're on your own. Sleeping without the comforts of home is tough, we won't hide from that. But it's amazing what an impact the night will have on you.

THE MORNING AFTER

Unlike other nights out, the morning after is an ideal time to reflect on your experience. Share your thoughts with donors and supporters online, and don't forget to put the call out for the last round of donations, too. It's a wrap... until next year, that is!

Date: Thursday 20th June
Time: 6pm - 6am
Email: canberra@ceosleepout.org.au

 Australian Parliament House, Canberra
 Merimbula Basketball Courts, Far South Coast

7 ways TO RAISE MORE FUNDS THAN ANYONE EXPECTED!

1 GET PERSONAL

Upload a profile picture and write a short bio on your online fundraising page. Pages with the personal touches tend to attract a lot more donations – plus it's an opportunity to let everyone know why you are sleeping out.

2 KICKSTART THINGS... YOURSELF

Making a generous, early self-donation is a wonderful way to set the tone for your fundraising... it shows you're not mucking around! It will encourage your colleagues and connections to donate more themselves.

3 SHARING IS CARING

Make sure you share your personal fundraising page link around on every available platform. LinkedIn, Facebook, X and Instagram, as well as email and text.

People need reminding so don't worry about asking more than once!

4 ASK AND YOU SHALL RECEIVE

Take a minute to compile a list of everyone you know who might be keen to support Australians experiencing or at risk of homelessness.

The more people you ask, the more donations you'll get!

5 GET YOUR STAFF INVOLVED

Build excitement and interest by holding or delegating a fundraising event! It can be anything – raffle an annual leave day, trivia night, or a ticketed morning tea. Your creativity determines what's possible!

6 SAY THANKS

The single best way to make your supporters feel appreciated – and even to give again – is to say thank you. For every donation, say thank you in person or give a shoutout on social media! Social media shoutouts also remind prospective donors.

7 MAKE THE MOST OF YOUR RESOURCES

Our online resources page has fundraising tips and tools, with event ideas, pre-written emails, social tiles, email footers and more. Head to your dashboard or www.ceosleepout.org.au/resources to download your fundraising resources.

FROM THE FOUNDER

Since 2006, together, we've been building a tradition — you and I and every other Aussie leader who's given up one night to raise some money and awareness for people experiencing or at risk of homelessness through the Vinnies CEO Sleepout.

“ I believe that working with leaders is a great way to make a bigger impact. ”

When I conceived the event, I wanted to make a difference for those experiencing homelessness. Thank you for being one of those CEOs who care.

The Vinnies CEO Sleepout allows us to say thank you to the Vinnies staff and volunteers for their great work as they help those in our community that are most in need.

Good luck for the Vinnies CEO Sleepout in 2024. It's a privilege to wish you well, and I look forward to seeing the results of another record-breaking year.
